About us

Hebei Charlotte Enterprise Co., Ltd.

Charlotte founded since 1998,

we have a dedicated workshop, which has passed BSCI test and specializing in the production of window screens and anti-mosquito products from product design, development, manufacturing, to sales.

We are supplier of large building materials and home furnishings supermarkets in Europe, America, Australia. Most of the world's building materials chains have our series of products for sale. Products have received well praised and long-term trust from customers.

We warmly welcome customers all over the world to visit our factory for guidance and cooperation!

Product range

Fly screen window and door with frame

- Roller screen window & door
- Fixed screen window & hinged screen door
- Pleated(Plisse) screen window & door
- Sliding screen window & door

Replacement and repairing

- Insect screen & mesh
- Spline & tools
- Aluminum frame
- Corner, spring & accessories

Economic fly screen for window and door

- Magnetic screen window
- Magnetic screen door curtain
- Polyester screen with velcro tape
- European insect screen door curtain

Other application

- Indoor
 - Outdoor
- 

CHARLOTTE

Roller screen window

For windows individually adjustable, easy to install by getting caught in the window-jamb, not a drill at the window frame.

- High quality alloy aluminum frame
- Effective seal burst into the aluminum guide rails and roller blind cassette
- Insect tissue from high quality fiberglass, UV-resistant, washable, durable and abrasion resistant
- DIY installing without drilling
